Government Accountability Office, 2006 OCLC Number: (OCoLC)77583512 Subject: Veterans -- Mental health services -- United States -- Finance. Excerpt: . . . allocated resources through this and other targeted approaches to support a range of mental health services, based, in part, on the priorities of VA leadership and legislation for programs related to PTSD, substance abuse, 14 and other mental health areas, according to VA headquarters officials. VA headquarters officials told us that the Secretary of VA had identified several areas of the mental health strategic plan that were to be priorities for implementation, including those related to substance abuse, PTSD, services for veterans of OIF OEF, mental health in CBOCs, and homelessness. Nearly 20 million of the approximately 53 million allocated by using RFPs and other targeted approaches was for mental health services related to legislation that expressly required spending or authorized such services, according to VA officials. In addition, nearly 33 million was allocated for mental health services not directly related to such legislation. Table 1: Summary of VA Information on Mental Health Strategic Plan Allocations...
