

Puffs of Smoke: Stories That Linger (Paperback)

By Maria Ruiz

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I am a collector. Not of material things, but of stories. All my life I have heard and stored stories in my head. When I was just a child, I tried to make sense of things that happened. For example, it was easy to explain why it rained and why thunder occurred. I knew the answer. It must be God watering his yard and some of the water splashed out and down on us. After he watered the lawn, he and his friends would play croquet and as the giant balls collided, it made what we heard as thunder. That was my story and I eagerly shared it with all the boys and girls in my neighborhood. Life was much easier then and could be explained. Things I couldn't understand, I stored away. As I grew, it became harder and harder to explain the things that happened and I couldn't figure out all the reasons. But I watched the results. I saved them in the folds of memories, waiting until I had more information. Now, as an adult, I recorded...

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
