Brand New Book ***** Print on Demand *****.Four years ago, Joan settled in Tabor under a new identity. She belongs, has friends and security for the first time in her life. All of that is tenuous, threatened by the knowledge her enemies will never give up looking for her. Facing pressure to let a friendship become much more, she is hit with evidence that her enemies have found her. Joan refuses to run, no matter what it costs her. To protect friends, however, she would face death. Into this chaos comes a letter from a man claiming to be her unknown father, an invitation to visit him at Quarry Hall, and a proposal. With his money and influence, Joan can make a big difference for good in the world. She hungers for the family, sense of belonging, and purpose that Quarry Hall offers. To rescue her closest friend, she would sell the soul she doesn't believe she possesses. The question is whether she can face the truth, and risk disclosing the lies that have kept her alive all these years.
