Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you want to be more productive in your professional and personal life, or wish you could motivate your colleagues to use their talents instead of waste them, then Fowl Wisdom is your instruction booklet to a better organization-and a better life. Utilizing more than thirty years experience dealing with a variety of organizations, Dr. Seahorn provides a quick, humorous look at why some groups and individuals soar like eagles while others are content to forage with the turkeys. Using critical questions, she guides you through the process of identifying how your group works and why they may be performing in a less than acceptable manner. By engaging in short, amusing learning discussions with your peers, you can reflect on alternative ways to build the capacity of each member, enabling the eagle in everyone to become more visible and robust. With the wit and insight of Fowl Wisdom, you can lead the way for change in your home, office, and even your neighborhood. Spend less time on ineffective meetings, engage in fewer stressful relationships, and live in a healthier environment today!.
