Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Entirely updated for the new year and beyond including new topics: Podcasts on Amazon Alexa, Google Home, and the Apple HomePod, Adam Curry s Podcaster Pro, new models for marketing your Podcast, and more . HOW TO PODCAST IN JUST 4 SIMPLE STEPS Don t waste time learning to podcast like an audio nerd. Launch your podcast TODAY in just four simple steps. Make your podcast FAST and get it to your target audience NOW. Podcasting today is easier than ever before, but it takes more than technology to create a successful podcast. Over the last ten years, I have launched dozens of podcasts for my clients. Most have reached number one in their category. Some even reached top ten in all of iTunes. My simple 4 step process has been proven to work time and time again. I know what it takes to get a podcast out quickly, and how to design your podcast for maximum audience response. I believe in building systems and products that work for regular people and superstars alike. In this book, I ll walk you through the very same steps I ve used to create podcasting success for myself and my clients. Plus, I ll teach you how to make a podcast that sounds great, without having to engineer a thing.
