Think of it as "The Girlfriends' Guide" to breast cancer, with hints on everything from what kind of deodorant to use during radiation treatment to the best kinds of exercise after a mastectomy to how to tell the person you're most afraid to tell that you have cancer. And as timeless as ever, this newly revised edition of UPLIFT contains the latest and most up-to-the-minute medical information, as well as new stories from inspiring cancer survivors"-- Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time.
