The Georgetown Set

By Herken, Gregg

Condition: New. Publisher/Verlag: Random House US | Friends and Rivals in Cold War Washington | In the years after World War II, Georgetown's leafy streets were home to an unlikely group of Cold Warriors who helped shape American strategy. This coterie of affluent, well-educated, and connected civilians guided the country, for better and worse, from the Marshall Plan through McCarthyism, Watergate, and Vietnam. The Georgetown set included Phil and Kay Graham, husband-and-wife publishers of The Washington Post; Joe and Stewart Alsop, odd-couple brothers who were among the country's premier political pundits; Frank Wisner, a driven, manic-depressive lawyer in charge of CIA covert operations; and a host of other diplomats, spies, and scholars. Gregg Herken gives us intimate portraits of these dedicated and talented, if deeply flawed, individuals, who navigated the Cold War years (often over cocktails and dinner) with very real consequences reaching into the present day. Throughout, he illuminates the drama and fascination of that noble, congenial, curious old world," in Joe Alsop's words, bringing this remarkable roster of men and women not only out into the open but vividly to life. | Format: Paperback | Language/Sprache: english | 502 gr | 203x132x27 mm | 528 pp.

Reviews

It is a of my personal favorite pdf. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Nicholas Ratke**

It is simple in read easier to understand. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is just following i finished reading through this publication where basically transformed me, alter the way i really believe.
