Excerpt from Medical Hints for the People: A Few Facts Worth Knowing You see, my dear working friends, I am great upon sparing your strength, and taking things cannily. All very well, say you; it is easy speaking and saying take it easy; but if the pot s on the fire it maun bile. It must, but you needn t poke up the fire forever, and you may now and then set the kettle on the hob, and let it sing, instead of leaving it to burn its bottom out. A man can walk farther and longer than he can run, and it is poor saving to get out of breath. A man who lives to be seventy, and has ten children and (say) five and twenty grand-children, is of more worth to the State than three men who die at thirty, it is to be hoped, unmarried.
