THE LEVIATHAN FACTOR (PAPERBACK)

Wipf Stock Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Leviathan Factor tells the incredible story of how Satan, created as Lucifer the morning star, self-transformed into Leviathan, God's serpentine arch foe. When he tried to achieve immortality by tweaking creation's lowest-level laws (a sophisticated computer/automaton) he created death instead. As the serpent he reappeared in the Genesis tree of good and evil, where he seduced humans to attempt immortality apart from covenant with God. Leviathan is responsible for the false belief that we each have an inner divine spark which, when reconnected to our ego, awakens our true inherent divinity. Unfortunately he and his demonic spirits also impact our minds, bodies, and environment as psi. A few of the many markers of these demonic psi are levitation, telepathy, telekinesis, déjà vu, emotional oppressions, poltergeist activities, past lives memories, voices and visions, near death and out-of-body experiences, and trance channeling. Many of these psi phenomena are co-factors in mind disorders such as schizophrenia or epilepsy. Manifestations in Christian circles include false tongues and holy laughter. The Leviathan Factor is not a healing how-to. It is the first book to place demonic evil into the context of creation's basic structures and laws. Burkholder stretches the bounds of imagination in this bold exploration of the nature of evil. In his argument for the ontological reality of Leviathan (Satan), in contrast to both materialism and neo-gnosticism, he engages a vast range of well-researched topics: ancient literature, philosophy, psychology, neuroscience, information theory, chaos-complexity theory, new-age religions, and charismatic Christianity. The Leviathan Factor is a fascinating and provocative read. --E. Janet Warren, Family Physician; President, the Canadian Scientific and Christian Affiliation; Author, *Cleansing the Cosmos: A Biblical Model for Conceptualizing and Counteracting Evil The...*
