After a sudden death in the family, a young boy makes a fascinating discovery in his late grandfather s basement. Finding a seemingly unremarkable movie projector, the boy turns it on to discover a moving, living image projected onto the basement wall. The image pulls the boy into a game where each choice brings him face-to-face with an unspeakable nightmare. With no way to escape, the boy must survive the game until he finds himself victorious.or dies in the attempt. 6x6 is a horror novella in true Tales from the Crypt fashion. It promises to grip you from its first page until its shocking, uncompromising conclusion.
