BOOTSTRAP ESSENTIALS (PAPERBACK)

Packt Publishing Limited, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Use the powerful features of Bootstrap to create responsive and appealing web pages About This Book * Learn where and how to use Bootstrap in your new web projects * Design and develop mobile first web portals that support all devices * A step-by-step guide with easy-to-follow practical exercises to develop device friendly websites In Detail As the number of people using mobile devices to access the internet grows every moment, websites are no longer built just for desktop machines. The mobile first philosophy demands that sites are fully compatible with all the available, and predicted future mobile devices. Bootstrap allows and easily enables you to design and develop your own websites congenial to all devices, including e-readers, tablets, and so on. This book will familiarize you with all the features, functionalities, and architectural knowledge of the Bootstrap platform, enabling you to develop mobile friendly websites. You will begin by discovering the mobile first philosophy and what Bootstrap is. You will learn about Bootstrap s architecture and components, and how to use Bootstrap using LESS. You will create responsive layouts using Bootstrap CSS and work with the packaged components that come along with Bootstrap. You will proceed to explore the various JavaScript components and add-ons offered by Bootstrap. Finally, you will learn how to customize Bootstrap easily to match your project-specific requirements, compile and build your Bootstrap code, and extend Bootstrap with different extensions to create more advanced websites. By the end of this book, you will be able to build, compile, and customize your own Bootstrap system to create mobile friendly websites. What You Will Learn * Understand the internal architecture and structure of Bootstrap * Download and configure Bootstrap in...
