Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How can you miss something you never had? Retired pro motocross racer Eli Hunter had it all; at least that s how he chose to look at things. His life revolved around the sport he loved and he had been catapulted to rock star status. Eli loved the feel of a bike under him as he raced, even when it almost killed him. After fighting back from a debilitating injury Eli has devoted his life to The Noland Racing Academy. As far as Eli was concerned that was all he d ever need, that is until he sat across from Dallas, a young up and coming racer, and his widowed mother, Honor. It was then that Eli realized exactly what he had been missing. The prospect of sending her son off to the Noland s Racing Academy was daunting enough without being faced by the devil in a pair of blue jeans. When Honor held the door open for Eli Hunter she knew she was letting him walk right into her life, but she refused to let him into her heart. Eli has never backed down from a challenge and he wasn t about to stop now. Not when those long auburn curls and shy violet eyes were the answer to his unspoken prayers.
