### **Reviews**

*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.*

V.-J.) at the Royal Institute of Public Health (Journal of State Medicine, June 1919, p. 161 and January 1920, p. 12). Chapter VI now appears for the first time. The index has been compiled by Mr F.
