By Lawrence Block

HarperCollins Publishers Inc, United States, 2002. Paperback. Book Condition: New. Reprint. 175 x 104 mm. Language: English . Brand New Book. Lawrence Block takes us back to the lower depths of violence he knows so well. By the time Matt Scudder has finished tracking a killer through the alleys of Hell s Kitchen, he has drawn us a new map of the darker regions of the human soul. Matt s investigation launches him on an unintended voyage of self-discovery, and the more he digs beneath the surface of Glenn Holtzmann s life, the more unsettling things he finds out about himself. But nothing s ever open and shut in Scudder s world, and there s a lot more to the dead yuppie lawyer than ever met the eye. How come nobody knows anything about Holtzmann s past? How did he live so high on such a modest salary? And what was he doing on Eleventh Avenue, anyway? Why wasn t he home with his wife? Matt Scudder s New York is a town where opposites collide. Rich and poor, good and evil, sunlight and shadow. Sometimes the glare is so bright you can almost see the heart of darkness.
