Brand New Book ***** Print on Demand *****.Exposing Terrorism Description, Ed McGaa, Author When disaster befalls mankind s existence Science probes Creator s creation for its curative discoveries. Man relies upon hopeful prayer expecting God wrought solutions inventively tailored to save mankind s dilemmas. The Great Inquisition set back Earth saving technology prohibiting Science s curative discoveries for over five centuries. Brutal, selfish terroristic dictatorships cunningly cooperated with hierarchal religious leadership to accomplish their control over the superstitious, gullible masses regardless of extreme natural disaster. (i.e. Bubonic Plague). In this day and age of approaching environmental disaster, that 500 years of lost technology could well be used to possibly avoid or curtail our planet s future dilemma. Communication must be considered as the most powerful tool to save the planet eventually according to the predictions of the majority of climatological scientists. Knowledge begets wisdom through truthful communication and must win over ignorance, superstition and denial-Terrorism s tools, in order for disastrous planetary heating and its related water shortage and diminishing agricultural land is to regain or hold its sustainable level. Prologue and Introduction opens the reader to a new set of culturally honed values relatively free from Terrorism thus deserving a degree of explanatory adjustment before embarking onward to explore practically, pragmatically and truthfully with the goal of eventually subduing Terrorism s role. Unfortunately, history, as written by the conquerors, has been highly misleading as to the positive Earth saving and harmonic promoting values held down through eons, in particular by most of the North Eastern tribes. Shintoism, Buddhism, Christianity, Islam, the Hindus, led by terroristic bent leadership, among all of the world s leading religions have had their numerous cycles of murderous wars, feminine, homosexual, minor sect and...
