Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Amazon Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Keith Emerson discovered the cure for the common fart when he invented Sweet Farts. At age ten, Keith is a self-made millionaire who runs a science lab and is in charge of his own company--so what could possibly be bothering him? Well, his four-year-old sister s newfound love of farting is causing all kinds of problems. His friends spend most of their time and energy trying to embarrass him for fun. And if that isn t enough to drive a kid crazy, the big science fair is weeks away and Keith has no idea what to do for his next experiment. This time around, Keith will attempt to discover something new and amazing in time for the big science fair, deal with his friends constant teasing, and help his sister, Emma, learn the complex etiquette of farting. Sure he made one of the greatest scientific discoveries of all time, but the question facing him now is What s next?.
