How long have you been sitting in the shadows of the Goliaths in your life? Are you waiting on God to come and rescue you? What if I told you that action is required; that it is God s will for you to be involved in the process? Come along with me as I take you through steps to remove the giants standing in your way and guide you to your best life with God. It is possible and you can start today. My dear friend, pastor Josh Wilbanks, has written a masterpiece of hope and freedom in his new book, Conquering Shadows. You will not only hear his story, but Josh teaches us that God has called you to conquer your fear, face your giants, and step into supernatural faith. --Pat Schatzline Evangelist and Author, Remnant Ministries International Conquering Shadows will provide a roadmap to make the decisions that will shift your life to a completely new reality. You will be inspired as Josh enables you to recognize the parallels between your journey of faith and those of some of Scripture s greatest heroes. This book has come at a strategic moment in your life. Read it and act on it--it s time to walk out of the shadows cast by the giants in your life! --George Sawyer Lead Pastor, Calvary Assembly, Decatur, Alabama.
