Lariat Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My Life, My Memories is a journal for completion by the dementia patient This journal will prompt you to write out answers to questions about your life, and your memories. The goal is to achieve a comprehensive book of your life, who you are, and what you are most likely to remember most as Alzheimer s disease or one of the other dementias progress. This journal will tie the patient s current life and past (stored memories) together. It will also help others to work with the patient in the later stages of the disease when, based on the patient s responses to the prompts in this book, for example, when you state likes and dislikes not only from the present but from the past. Topics covered include general information (such as your name), work history, education, romance, childhood and teen years, religion, food, and a section called last but not least where the patient can enter anything else that may have been overlooked but is considered by the patient to be important!.
