APOSTOLIC LEADERSHIP FOR STUDENTS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A serious problem with many Christian leaders is that of organizing and managing these spiritual resources. If laborers for spiritual harvest are few as the Bible indicates, then they should be properly organized and mobilized. Human growth occurs through the multiplication of living cells and the development of a skeleton to support them. For the body of Christ to grow, structure is also important. Spiritual life brings growth which we must be prepared to support. Apostolic leadership implies a sound knowledge of spiritual succession and obedience.
