THE XENOPHOBE S GUIDE TO THE ESTONIANS (PAPERBACK)

OVAL BOOKS, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. The roots of Ootame, vaatame Let s wait and see, are embedded in the deepest chasm of the Estonian psyche because, for a very long time, the people had little choice to do anything else. This philosophy is a close relation to the Spanish manana (tomorrow). The difference is that the languid Spanish are just deferring something. The pragmatic Estonians are not. They are waiting and seeing. A guide to understanding the Estonians which dispels or confirms preconceived prejudices with humor and insight.
