So, we need more support in that area. We need financial support to increase the school day, and the school year, to our neediest schools. We need to have better coordi-nation and support between BIA schools and public schools that move back and forth between the systems. And we need more rec-ognition that, in a State like New Mexico that has an Indian Edu-cation Act, and the fact that we recognize the sovereignty of our tribes and pueblos - the implementation of No Child Left Behind, for example, the Navajo Nation, and theyre - I believe, title X - how do States still honor sovereignty, implement No Child Left Be-hind, and deal with the Executive Order And so, we have all of these things that are coming in conflict, that I think are not recog-nized by this law, nor the Federal Government. No...
