This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stante that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Life with My Sister Madonna, Christopher Ciccone, Wendy Leigh, Christopher Ciccone's extraordinary memoir is based on his forty-seven years of growing up with, working with and understanding the most famous woman of our time. Throughout most of the iconic star's kaleidoscopic career, Christopher played an important role in her life: as her back-up dancer, her personal assistant, her dresser, her decorator, her art director and tour director. Only Christopher can tell the full and riveting story behind her carefully constructed mythology, and reveal the real woman behind the glittering facade. From their shared Michigan childhood and the early days in Manhattan, when he slept on her roach-infested floor and danced with her in clubs all over town, Christopher was with her every step of the way, experiencing her first-hand in all her incarnations. The punk drummer, the raunchy Boy Toy, Material Girl, Mrs Sean Penn, loving mother, Mrs Guy Ritchie, English grand dame -- Christopher witnessed and understood all of them, as his own life was inexorably entwined with that of his chameleon sister. He tangled with a cast of characters from artist Jean-Michel Basquiat, to Gwyneth Paltrow, Kate Moss, Demi Moore and, of course, Guy Ritchie, whose advent in Madonna's life splintered the loving relationship Christopher once had with her. The mirror image of his legendary sister, with his acid Ciccone tongue, Christopher pulls no punches as he tells his astonishing story.
