

## Moving Forward: A Personal Story of Hope, Recovery Determination! (Paperback)

By Wayne P Gillis

Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the true story of when a sudden moment of impact took my life away. Though I am not born again in a religious sense, I have been given a second chance at this game called life. This is my story of hope, recovery, and rebirth. On a brisk September afternoon, I was involved in a severe automobile accident when the motorcycle I was driving was struck by a car. Among my numerous physical injuries were seven broken ribs, a ruptured spleen, a bruised liver, a torn bowel, and a bilateral pneumothorax (two punctured lungs). The one that altered the course of my life forever though was the closed-head traumatic brain injury I received. Gratefully, I not only survived this intense injury but have recovered remarkably well. Having to learn how to sit up in bed, to be assisted in moving to a wheelchair, to stand on my own and eventually walk again, makes my perspective unique as well! Gratefully I am now thriving against all odds and it has become my goal to share this story of recovery with others...
