ANCIENT AND MODERN COLOURS, FROM THE EARLIEST PERIODS TO THE PRESENT TIME: WITH THEIR CHEMICAL AND ARTISTICAL PROPERTIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ancient and Modern Colours, From the Earliest Periods to the Present Time: With Their Chemical and Artistical Properties This Digest professes to unite the Ancient Colours which are recorded in history, with those which have been revealed by the researches and investigations of Travellers and Men of Science. Among the contributors to our stock of knowledge on this subject, Sir Humphrey Davy stands preeminent, more especially in reference to the Colours of the Roman period; whilst the excavations prosecuted in Assyria and Egypt, by Layard, Rawlinson, Botta, Wilkinson, and other eminent antiquarians, assisted by chemical examinations, have extended our acquaintance with colouring matters to the remotest periods. Many deficiencies in the few ancient Chronicles which have come down to us have been supplied by the researches alluded to; and in numerous instances those researches will be found to confirm the ancient records. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
