

Der Deutsche Wortschatz Nach Sachgruppen (Hardback)

Filesize: 3.88 MB

Reviews

Basically no words to explain. I actually have study and that i am sure that i will gonna read once more again down the road. You are going to like just how the blogger publish this pdf.

(Ms. Tamara Hackett DVM)

DER DEUTSCHE WORTSCHATZ NACH SACHGRUPPEN (HARDBACK)

To get **Der Deutsche Wortschatz Nach Sachgruppen (Hardback)** PDF, please refer to the hyperlink below and save the document or get access to additional information which might be have conjunction with DER DEUTSCHE WORTSCHATZ NACH SACHGRUPPEN (HARDBACK) ebook.

Walter de Gruyter, 1934. Hardback. Condition: New. Reprint 2013 ed.. Language: German . Brand New Book ***** Print on Demand *****.Thomas Mann and Lion Feuchtwanger used it, as did Paul Celan and Hermann Kasack: Dornseiff. Peter Hacks wrote, quote;When two authors got together, they had two rooms, two desks and two copies of Dornseiffquote; When he first presented his great dictionary in 1933, Franz Dornseiff (1888-1960) wanted to document the quote;wealth of German expressionquote; Poets often used this treasure chest of the German language, as have many others. With its unique structural principle, Dornseiff is an indispensable reference work for any writer who is interested in looking for words with related meanings (synonyms) in order to formulate his or her text in a more precise and diversified manner. In addition to its use as a stylistic aid, Dornseiff is a useful tool for linguists interested in conducting differentiated lexical analyses. Dornseiff presents the entire German lexicon according to subject areas, that is, the entries are not ordered alphabetically. As a result, each entry contains an abundance of words from all parts of speech belonging to one subject area or concept. Therefore, each entry provides information, documentation and inspiration. The comprehensive new edition of this standard work is distinguished by the following features expansion to include important new subject areas (media, informatics, stock market, astronautics, sports and leisure etc.),basic revision and updating of the lexicon with the aid of the lexical corpus of the quote;German Lexiconquote; project at the University of Leipzig,improved structure of articles, a detailed lexicographic introduction by Herbert Ernst Wiegand, the addition of a powerful CD-ROM for fast, specific inquiries, a completely new, user-friendly layout. The 8th edition of Dornseiff is the consistent continuation of this renowned lexicon into present-day German and is also the first electronically-available version.
