Reviews

I actually started looking over this ebook. It is definitely simplified but excitement inside the 50 percent of your ebook. You are going to like just how the blogger create this ebook.

(Efren Swift)

EDGAR'S SECOND WORD

Clarion. 1 Cloth(s), 2014. hard. Book Condition: New. Hazel can't wait for her brother to be born, but when Edgar finally arrives, he doesn't talk or do much of anything. He's even too little to read to, so Hazel goes back to waiting patiently for him to say his first word. When he finally does say it, though, it's hardly the word Hazel was hoping for. Will all this waiting ever be worth it? Audrey Vernick's funny and gentle take on waiting for a new baby is charmingly illustrated with Priscilla Burris's cartoon drawings, for readers 4 to 7. "This is a fresh take on an age-old tale that will offer plenty of story- and family-time laughs." Bulletin of the Center for Children's Books 32.
