Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ewell Rempel)

MILES IS THE BOSS OF HIS BODY (HARDBACK)

Rubys Studio, United States, 2014. Hardback. Book Condition: New. Valentina Ventimiglia (illustrator). 218 x 218 mm. Language: English . Brand New Book. The latest installment in The Mother Company's award-winning MILES series, Miles Is The Boss Of His Body is a fun, engaging way to explore the potentially difficult topic of kids personal safety. On his 6th birthday, Miles excitement is dimmed when he finds himself being pinched, noogied, hugged too tight, picked up and tickled by his well-intentioned family and decides he's had enough! When Miles decrees that he is the Boss of his body, his whole family expresses support and respect for his personal boundaries. In a colorful, comic-book style, young kids will laugh while learning this potentially life-saving concept that can benefit them for years to come.
