Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever tried to give sincere, valuable, and well meaning advice to a teenager? If so, then you have found that they do not have the time or the temperament to listen to a word that you have to say. But everything that comes via their cell phone has a direct and immediate connection to their brain. This book contains the wisdom of world leaders, successful professionals, and experienced parents. It is all distilled into short text messages that you can send to a teenager s cell phone and get their attention long enough for them to read it. Our goal is to sneak around all of the teenage defense mechanisms and inject good ideas into their brains before they know what hit them. Good luck and start texting.
