

After This

By Alice McDermott

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Alice McDermott's masterful novel is a portrait of a working-class American family living through the tumultuous middle decades of the twentieth century. While Michael and Annie Keane taste the alternately intoxicating and bitter fruits of the sexual revolution, their older brother, Jacob, finds himself on the way to Vietnam. Clare, the youngest child, seeks to maintain an almost saintly innocence. As their parents, John and Mary, struggle to uphold the family's framework, the four siblings are destined to experience the challenges and liberties of the 1960s. With McDermott's inimitable understanding and grace, *After This* captures the joy, sorrow, anger and love that underpin, and undermine, what it is to be a family.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
