

## Dragon Defense: Heirs to the Throne

By Diane Rapp

Createspace, United States, 2012. Paperback. Book Condition: New. Luke O Donnell (illustrator). 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Praise for the trilogy: In the best traditions of Anne McCaffrey s fantasy books, Heirs to the Throne trilogy walks right on the border between Epic Fantasy and Sci-Fi. On one hand, we have advanced technologies like space travel, cloning, mind transfer to artificially created hosts, to name a few. On the other, we have dragons, people with special abilities who can control minds, talk to animals, heal, or even use speed time. .This book, this trilogy, actually, falls into the diamond in the rough category. With no promotional budget behind the series, it s easy to miss even something this epic. So, pick these books up and spread the word - this is a lot of reading bang for the buck. Recommended. Oleg Medvedkov, Author Book Description: When an Institute battleship threatens to destroy the planet, Donovan must wage war without modern weaponry. Before the Zebulon crew escaped from Institute-controlled space twenty years ago, Dr. Alexander deleted crucial records about Transfer from Institute files and hoped they could vanish before the Institute discovered...

### Reviews

*Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.*

-- **Dr. Bethany Lindgren**

*It in a single of my personal favorite pdf. It really is writter in basic words instead of hard to understand. Your daily life period will be transform as soon as you complete looking over this pdf.*
