## An Essay on the Medicinal Properties of Factitious Airs: With an Appendix, on the Nature of Blood (Classic Reprint) (Paperback)

By Tiberius Cavallo

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Essay on the Medicinal Properties of Factitious Airs: With an Appendix, on the Nature of Blood It is not quite forty years since the artificial aerial fluids began to be administered as remedies to the human body. The uncertainty, and the errors of the early applications, rendered the progress of the practice flow and doubtful; nor has the experience, or the success of recent and more numerous practitioners, been sufficient to determine the precise power of the aerial fluids, or to dissipate the doubts which are still entertained concerning their use. The desire of extricating the subject from the conflict of contrary opinions, established prejudices, and opposite interests, has induced the Author, perhaps too hastily, to publish the present work, which, in every sense of the word, deserves the epithet of imperfect. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the...
