HarperCollins Publishers Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. A Seattle Times Noteworthy Book of 2017! Futurist as provocateur! The world is sheer batshit genius . . . a truly hallucinatorily envisioned environment. -William Gibson, New York Times bestselling and award-winning author Timely, dark, and ultimately hopeful: it might not `make America great again, but then again, it just might. -Cory Doctorow, New York Times bestselling and award winning author of Homeland Acclaimed short story writer and editor of the World Fantasy Award-nominee Three Messages and a Warning eerily envisions an American society unraveling and our borders closed off-from the other side-in this haunting and provocative novel that combines Max Barry s Jennifer Government, Philip K. Dick s classic Man in the High Castle, and China Mieville s The City the CityThe United States of America is no more. Broken into warring territories, its center has become a wasteland DMZ known as the Tropic of Kansas. Though this gaping geographic hole has no clear boundaries, everyone knows it s out there-that once-bountiful part of the heartland, broken by greed and exploitation, where neglect now breeds unrest. Two travelers appear in this arid American wilderness: Sig, the fugitive orphan of political dissidents, and his foster sister Tania, a government investigator whose search for Sig leads her into her own past-and towards an unexpected future.Sig promised those he loves that he would make it to the revolutionary redoubt of occupied New Orleans. But first he must survive the wild edgelands of a barren mid-America policed by citizen militias and autonomous drones, where one wrong move can mean capture . . . or death. One step behind, undercover in the underground, is Tania. Her infiltration of clandestine networks made of old technology and new politics soon transforms...
