The New York Review of Books, Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. An NYRB Classics Original Moscow Chestnova is a bold and glamorous girl, a beautiful parachutist who grew up with the Revolution. As an orphan, she knew tough times--but things are changing now. Comrade Stalin has proclaimed that Life has become better! Life has become merrier! and Moscow herself is poised to join the Soviet elite. But her ambitions are thwarted when a freak accident propels her flaming from the sky. A new, stranger life begins. Moscow drifts from man to man, through dance halls, all-night diners, and laboratories in which the secret of immortality is actively being investigated, exploring the endless avenues and vacant spaces of the great city whose name she bears, looking for happiness, somewhere, still. Unpublishable during Platonov s lifetime, Happy Moscow first appeared in Russian only in 1991. This new edition contains not only a revised translation of Happy Moscow but several related works: a screenplay, a prescient essay about ecological catastrophe, and two short stories in which same characters reappear and the reader sees the mind of an extraordinary writer at work.
