

Marriage and Love (Paperback)

By Emma Goldman

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The popular notion about marriage and love is that they are synonymous, that they spring from the same motives, and cover the same human needs. Like most popular notions this also rests not on actual facts, but on superstition. Marriage and love have nothing in common; they are as far apart as the poles; are, in fact, antagonistic to each other. No doubt some marriages have been the result of love. Not, however, because love could assert itself only in marriage; much rather is it because few people can completely outgrow a convention. There are today large numbers of men and women to whom marriage is naught but a farce, but who submit to it for the sake of public opinion. At any rate, while it is true that some marriages are based on love, and while it is equally true that in some cases love continues in married life, I maintain that it does so regardless of marriage, and not because of it.
