It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Vitasta Publishing Pvt. Ltd., New Delhi, India, 2008. Hardcover. Book Condition: New. Dust Jacket Condition: New. Forgotten and buried deep behind the uniform is a common man. His narration laced with humour provides a fresh look at unexplored alleys and brings home the point that at the end of the day we all need our daily dose of banter and policing provides ample opportunities for that. The author hopes that this book will connect easily with the man on the street and help bridge...
