MEGACITIES. EXPLORING A SUSTAINABLE FUTURE (PAPERBACK)

010 Uitgeverij, Netherlands, 2013. Paperback Condition: New. Language: English. Brand New Book. Urbanization has evolved dramatically from monocentric settlements to polycentric networks and megacities of previously inconceivable size and population. This escalation of quantities and scales has ignited a fascination with the phenomenon of megacities. The book attempts to define megacities and understand their processes and systems of organization, gleaning lessons for researchers, practitioners, politicians and the general public. The Megacities Foundation, which initiated this discussion and book, has...
