DESIGN THROUGH PERFORMANCE 'PHYSICAL THINKING' IN MAKING ARCHITECTURE

Design Through Performance
'Physical Thinking' in
Making Architecture

LAP Lambert Academic Publishing Nov 2014, 2014. Taschenbuch. Book Condition: Neu. 220x150x7 mm. Neuware - If there is one thing we have not utilised enough in architecture, it is the human body. Not as a passive inhabitant of space, but as an active place-maker and database that would further inform a design process. 'Occupying Momentum' explores design as a process of reading, representing and making architectural spaces through a thinking body's movement data, regarding the human body as...

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotonous at anytime of your time (that's what catalogs are for about in the event you request me).

-- **Mr. Rafael Hoeger**

A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be the finest book for at any time.

-- **Kristy Stroman**

Thorough guide for ebook lovers. I am quite late in start reading this one, but better than never its been designed in an remarkably straightforward way which is simply soon after i finished reading this publication in which actually altered me, affect the way i think.
