## FOOD AND CULTURE: A READER

Routledge, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Counihan and Van Esterik were my gateway to food studies. It's simply impossible for me to imagine a more cohesive and enticing anthology of writings about culture, consumption, and cuisine for students, scholars, and the public-at-large. But in this newest iteration we see the abundant fruit of their earlier path-breaking labors: rich new insights about health, lifestyle, social equity, and popular advocacy. The third edition is indispensable." - Benjamin N. Lawrance , Conable Chair in International Studies, Rochester Institute of Technology , author of Local Foods Meet Global Foodways: Tasting History "Counihan and Van Esterik's reader has long been a staple of food-related course syllabi and reading lists. This new edition reflects the vibrancy of food studies today with the inclusion of recent key contributions to the field. Anyone who is serious about the study of food should have a copy close at hand." - Harry G. West , Professor of Anthropology, Chair of the Food Studies Centre, SOAS, University of London "They've done it again. Blending foundational favorites with important new work on race, power, and nation, Counihan and Van Esterik's latest edition of Food and Culture puts our field's diverse and crucial contributions at our students' fingertips." - Carolyn De La Pea , American Studies, University of California, Davis "For several years Food and Culture has been a phenomenon in the field of food studies. This new, revised edition continues the exciting mix of tradition and innovation, showing the editors' mastery of a subject that has become increasingly complex." - Peter Scholliers , History, Vrije Universiteit Brussel, co-editor of Food & History " Food and Culture is the indispensable resource for anyone delving into food studies for the first time. The editors...
