Brand New Book ***** Print on Demand *****.Mini Farming How to Build a Backyard Farm and Grow Fresh Organic Food. Learn How To Avoid 20 Common Mistakes In Growing Vegetables Farming is becoming a lost art in today s world. We know that there are the big farmers who supply the stores, and there are the people you see at the farmer s market, but the thought of farming yourself is something a lot more daunting. Where are you supposed to start? What ae you supposed to plant, and when? There seems to be so much to do, and so many rules you have to follow, and when it comes to growing and tending things, there seems to be a lot of time and special care involved. So where do you begin? Well, that s where this book comes in. Telling you everything you need to know to get your own backyard farm up and running, from taking care of the chickens, planting the garden, and taking care of the entire operation from dawn until dusk. This is your step by step guide when it...
