This streamlined text excludes coverage of pregnancy & human development, heredity, and the developmental aspects of body systems, while maintaining coverage of key A&P concepts. Marieb draws on her career as an A&P professor and her experience completing her nursing education; Hoehn utilizes her medical education and award-winning classroom instruction--together, they explain anatomy & physiology concepts and processes in a meaningful and memorable way. The new Fifth Edition makes it easier for you to learn key concepts in A&P by presenting information in smaller and more...
