

Birth of the Chess Queen: A History (Paperback)

By Marilyn Yalom

HarperCollins Publishers Inc, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Everyone knows that the queen is the most dominant piece in chess, but few people know that the game existed for five hundred years without her. It wasn't until chess became a popular pastime for European royals during the Middle Ages that the queen was born and was gradually empowered to become the king's fierce warrior and protector. Birth of the Chess Queen examines the five centuries between the chess queen's timid emergence in the early days of the Holy Roman Empire to her elevation during the reign of Isabel of Castile. Marilyn Yalom, inspired by a handful of surviving medieval chess queens, traces their origin and spread from Spain, Italy, and Germany to France, England, Scandinavia, and Russia. In a lively and engaging historical investigation, Yalom draws parallels between the rise of the chess queen and the ascent of female sovereigns in Europe, presenting a layered, fascinating history of medieval courts and internal struggles for power.

Reviews

The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again in the future. I am quickly getting a pleasure of studying a composed publication.

-- Prof. Adah Mertz Sr.

Basically no words to describe. It is filled with knowledge and wisdom I am just pleased to let you know that this is actually the greatest publication I have read within my individual lifestyle and may be the best publication for at any time.

-- Prof. Ron Gaylord II
