Plain Truth is a witty and hard hitting book that examines the consequences of government which denies America s origins as a Western nation guided by Christian principles. The importance of identifying the cause, exploring the consequences, and discovering solutions to our crisis is analyzed in depth. It is our duty to ensure that the full repercussions regarding a denial of our unique heritage are not realized. Plain Truth is meant to inform those without knowledge of the threat before us while inspiring all readers. John Tait was born near Chicago on the very day Jimmy Carter received his second Presidential nomination from the Democratic Party. He attended Northeastern Illinois University and earned B.A. s in History, Physical Education, and Secondary Education. During that time, he met his wife, Stephanie. They currently live in Glenview Illinois with their two children, Jack and Cadence.
