Bottom of the Hill Publishing. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 9.2in. x 7.3in. x 0.6in. Arthur W. Pink has become known as a masterful expositor of the Word of God. Both his expository works and some of his doctrinal works have long been in print. His deep concern for experimental Christianity and the practical Christian life, however, is not so well known. Yet he wrote many short series and single articles on what Scripture has to say about the inner man. And in writing these articles Pink expounded the Scriptures as penetratingly as he did in his expository and doctrinal writings. His *Practical Christianity*, then, is not a collection of pious thoughts on the Christian life or a simple outline of Scripture, but a full treatment of the subject. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his fathers patient admonitions from Scripture. It was the verse, Proverbs 14: 12, there is a way which seemeth right unto a man, but the end thereof are the ways of death, which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
