English-speaking readers fond of Astrology already know the Author, thanks to his previous works - Transits and Solar Returns and Lunar Returns and Earth Returns, which have also been translated into several other languages. Planet by planet, House by House, this volume contains all the suggestions of the Author on the exorcism of symbols - a useful practice also in the case you do relocate your Solar and/or Lunar Returns: for example if you have willingly left some dissonant position in your map of Aimed SR or of Aimed LR, and you wish to lower the threshold...
