Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Sketches of the Early Lights of the Litchfield Bar I joined Judge Reeve s school in the fall of 17u3, and he was not placed on the bench till the Spring of 1796, so that I saw him at the Bar during nine sessions of the Superior Court, and never failed to listen to him, it I could avoid it, with unqualified love and admiration through every speech he made, to its conclusion. I say with love, for no instructor was ever more generally beloved by his pupils, and in deed entirely so except it was by those whose love would have been a reproach to the Object of it. As a reasoner, he had no superior within the compass of my observation of forensic performances. I mean true, forcible and honest reasoning. In sophistry, he was too honest to indulge, and too discerning to suffer it to escape detection in the argument of an adversary. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
