Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book explores conceptions of truths that create or enhance loving relationships within the context of interactions between God and everyday people or countries in the Old Testament. This book is written such that anyone interested in finding out more about the Christian God can better understand what the God of Abraham, Isaac, and Jacob, The Father of Jesus Christ ( The Father ) is all about. In this book for instance, you will discover that the The Father can be categorized as a Feminist if feminism is viewed within the context of protections afforded women in ancient societies. You will also find The Father put in place principles that facilitated self actualization or social nets for people in need of financial support at any point in time. If you desire to acquire practical truths that are beneficial for daily living, this book is for you.
