Fusion Economics

By Brahm, L.

Condition: New. Publisher/Verlag: Springer Palgrave Macmillan | How Pragmatism is Changing the World | The current international financial system has created a huge gap between the wealthy and the rest. Grounded and straightforward in his approach, Brahm calls for a turn away from economic systems dangerously steeped in ideology and stymied by politics, outlining a new global consensus based on pragmatism, common sense, and grass-roots realities. | Preface: Voice of the Voiceless Fed Up With Television Talking Heads? Listen to Voices in the Street Introduction: The Washington Consensus is Dead!
