

On-the-Level: Performance Communication That Works (Paperback)

By Patricia McLagan

BERRETT-KOEHLER, United States, 1995. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book. Effective performance communication is critical to business success. It supports customer relations, quick response, and productive work. It leads to faster management of change and the creation of a work climate that can support performance. It also links individuals to business goals and each other. On-the-Level spells out proven methods for success which are based on the authors' 45 years of work and management consulting in organizations around the world. This best-selling book has been thoroughly revised and updated, incorporating the newest developments in the field of performance appraisal. The term "on-the-level communication" refers to direct, shared responsibility, output-focused communication in the workplace. It is communication that is open, above board, honest, respectful, and deliberate. On-the-Level focuses on planned discussions between employees and managers, team members, and suppliers and customers. It provides guidelines, ideas, and examples to help readers improve the quality, skill, and honesty of their communication when discussing goals, feedback, tough issues, and development on the job. The authors stress four central principles of on-the-level communication: Directness, Respect, Shared Responsibility, and Purpose. On-the-Level is designed to help everyone in and around the workplace...

Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Aliyah Mayer**

It is straightforward in read through safer to recognize. It really is full of knowledge and wisdom I am just easily could get a satisfaction of reading a created pdf.
