Reviews

This type of book is almost everything and helped me hunting forward and more. I was able to comprehend almost everything using this published e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Edwardo Ziemann)

FABER FABER, United Kingdom, 2014. Paperback. Book Condition: New. Open Market - Airside ed. 178 x 111 mm. Language: English . Brand New Book. There can t be a woman alive who hasn t once realised, in a moment of panic, that she s in the wrong place at the wrong time with the wrong man. Louise Doughty, more sure-footed with each novel, leads her unnerved reader into dark territory. A compelling and bravely-written book. (Hilary Mantel). A superb novel. Grown-up, genuinely suspenseful, wonderfully well-constructed, intelligent and provocative. I really didn t want to finish it. And I don t say that very often. (Julie Myerson). Once you start you can t stop reading. Terrific. (Helen Dunmore). Yvonne Carmichael has worked hard to achieve the life she always wanted: a high-flying career in genetics, a beautiful home, a good relationship with her husband and their two grown-up children. Then one day she meets a stranger at the Houses of Parliament and, on impulse, begins a passionate affair with him - a decision that will put everything she values at risk. At first she believes she can keep the relationship separate from the rest of her life, but she can t control what happens next. All of her careful plans spiral into greater deceit and, eventually, a life-changing act of violence. Apple Tree Yard is a psychological thriller about one woman s adultery and an insightful examination of the values we live by and the choices we make, from an acclaimed writer at the height of her powers.
