Pantari Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Things don t always turn out the way that we expect them to. Take the world for example; just when humanity thought that it would be destroyed by environmental collapse, the vampires stepped in and took over. Now, the planet is healing, the economy is stable, wars are a thing of the past, and everyone knows who the President will be for the next two hundred years. Of course, death isn t quite as certain as it used to be, but taxes still are-even if they are paid in blood. The only problem is that one of the undead has started kidnapping daytime girls for his own little blood farm. And in A Kinder, Greener Vampire, it s up to Detective Cami Karnstein of the Los Angeles Nocturnal Police Department, and her human partner, to solve the case before it s too late. Join Martin Schiller and guest author, Thomas Trujillo for this, and other tales of the strange, the supernatural, and the unexpected. Also included: a special preview of Book 4 of the Sisterhood science fiction series; Sisterhood of Suns: Andromeda, and a sneak peek of an entirely new universe, Blackbird: A Warrior of the No-When.
